

# Pollinator Garden – Sun – Dry Soils

Common Name Scientific Name	Species Code	Bloom Time
Aromatic Aster <i>Symphyotrichum oblongifolium</i>	AA	Fall
Bird's Foot Violet <i>Viola pedata</i>	BV	Spring
Butterfly Milkweed <i>Asclepias tuberosa</i>	BW	Summer
Prairie Dropseed <i>Sporobolus heterolepis</i>	PD	--
Prairie Smoke <i>Geum triflorum</i>	PS	Spring
Rough Blazing Star <i>Liatis aspera</i>	RB	Summer
Wild Petunia <i>Ruellia humilis</i>	WP	Summer

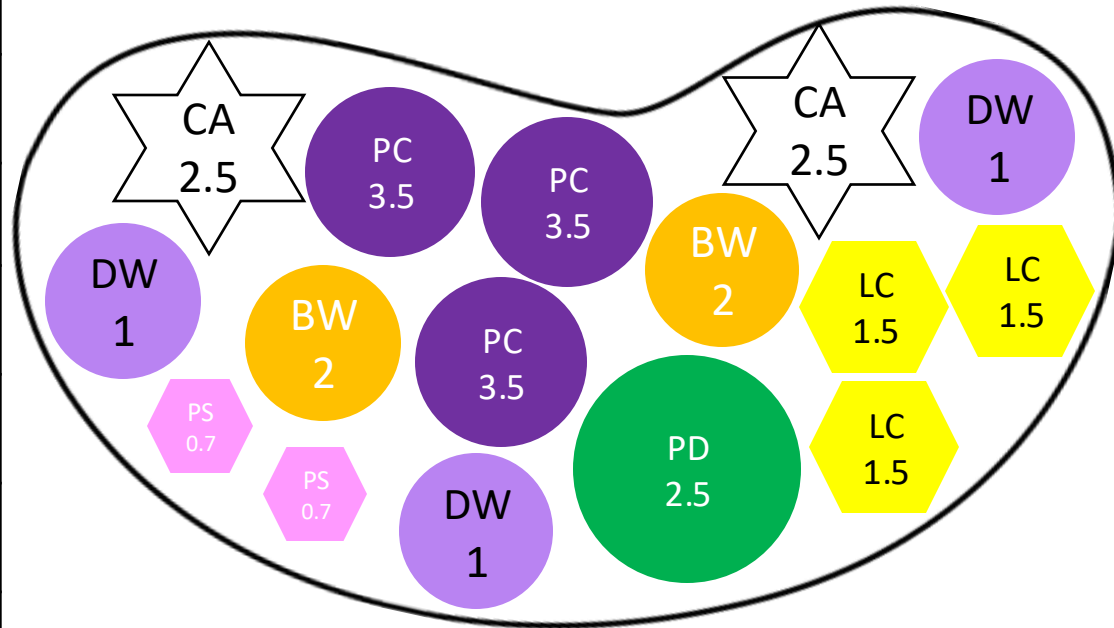

Plant heights are listed in feet in the diagram under the Species Code.

Garden dimensions are approximately 3.5 feet by 6 feet.

# Pollinator Garden – Sun – Medium Soils

Common Name Scientific Name	Species Code	Bloom Time
Butterfly Milkweed <i>Asclepias tuberosa</i>	BW	Summer
Calico Aster <i>Symphotrichum lateriflorum</i>	CA	Fall
Downy Wood Mint <i>Blephilia ciliata</i>	DW	Summer
Lance-leaf Coreopsis <i>Coreopsis lanceolata</i>	LC	Spring
Prairie Dropseed <i>Sporobolus heterolepis</i>	PD	--
Prairie Smoke <i>Geum triflorum</i>	PS	Spring
Purple Coneflower <i>Echinacea purpurea</i>	PC	Summer

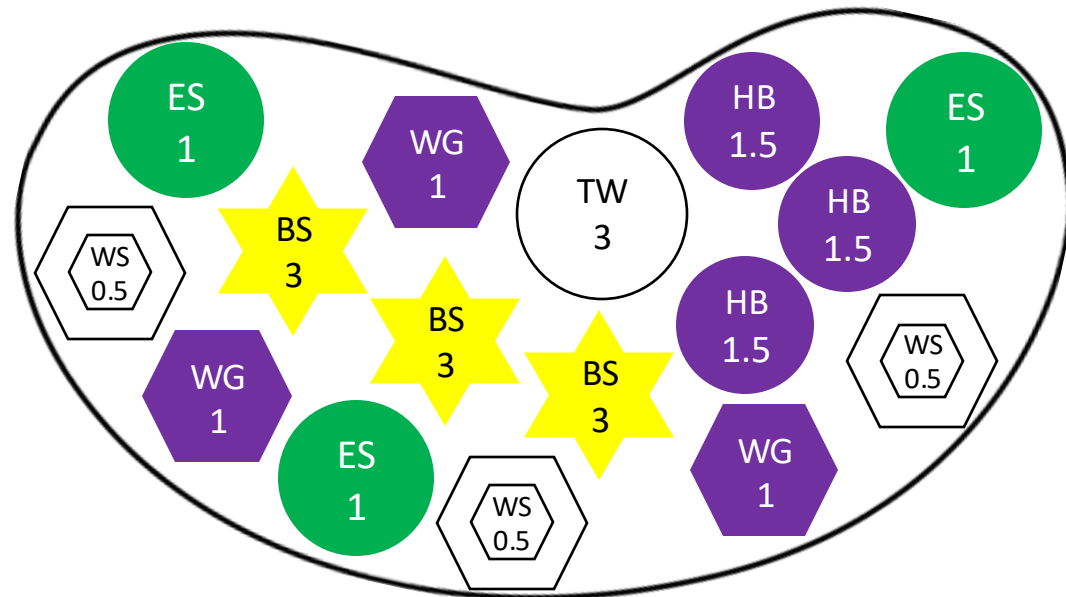

Plant heights are listed in feet in the diagram under the Species Code.

Garden dimensions are approximately 3.5 feet by 6 feet.

# Pollinator Garden – Shade – Medium Soils

Common Name Scientific Name	Species Code	Bloom Time
Blue-stemmed Goldenrod <i>Solidago caesia</i>	BS	Fall
Eastern Star Sedge <i>Carex radiata</i>	ES	--
Hairy Beardtongue <i>Penstemon hirsutus</i>	HB	Summer
Thimbleweed <i>Anemone virginiana</i>	TW	Summer
Wild Geranium <i>Geranium maculatum</i>	WG	Spring
Wild Strawberry <i>Fragaria virginiana</i>	WS	Spring

Plant heights are listed in feet in the diagram under the Species Code.

Garden dimensions are approximately 3.5 feet by 6 feet.
