CAPITAL CITY TRAIL CLOSED

for Pavement Restoration starting October 2, 2019

Project Information

Dane County Parks is undertaking Phase 2 of the Capital City State Trail pavement restoration project.

2-miles of trail is being resurfaced from Fish Hatchery Road to Seminole Highway.

Work is anticipated to be completed November 2019 and includes pavement restoration, a bridge replacement, ADA improvements and sign upgrades.

The trail will be closed during the work. To determine revised travel routes during construction, use the alternative routes map, to the right.
