

CAPITAL CITY TRAIL CLOSED

for Pavement Restoration starting September 8, 2020

Project Information

Dane County Parks is undertaking Phase 3 of the Capital City State Trail pavement restoration project.

1-mile of trail is being resurfaced from Seminole Highway to the Bike Roundabout.

The trail will be closed during the work and a detour via the Cannonball Path will be marked.

Work is anticipated to be completed November 2020 and includes pavement restoration, drainage and ADA improvements and wayfinding sign upgrades.
